

Springcroft

FUN 'draisers

Following a fantastic year of fundraising, amounting to a total of £3300.67, we are looking ahead to another successful year, setting our sights on breaking the £4000 mark. We would like to keep you as updated as possible with upcoming events so that you can hopefully join us and enjoy some fantastic family events.

Towards the end of last year we successfully completed the Springcroft Wildlife Garden Project, which over the summer has really started to grow. Please take time to go and have a look and as the Gardening Club begins we know that it will be in good hands and will continue to develop and thrive. We also purchased new stage lights for our drama and musical production in the hall

The dates below give you a guide to the events that will be running throughout the year. If you would like to get involved please join us, or alternatively contact Alaine Donlan (alainedonlan@gmail.com) with your details. Please be aware that coming along to the meeting does not mean that you are committing to every event that we do, but new ideas are always welcome. We are a very welcoming group and homemade cakes are always at every meeting, along with a good cuppa and company.
