Dear Parents,

## **Acceptable Use Policy Agreement**

As part of your child's curriculum and the development of ICT skills, Springcroft is continuing to provide supervised access to the Internet. We believe that the use of the World Wide Web is worthwhile and is an essential skill for children as they grow up in the modern world. Would you please sign, with your child, the consent form and return to school, so that they may continue to use the Internet at school.

Our school Internet provider operates a filtering system that restricts access to inappropriate materials. Whilst every endeavour is made to ensure that suitable restrictions are placed on the ability of children to access inappropriate materials, the school cannot be held responsible for the nature or content of materials, the school cannot be responsible for the nature or the content of materials accessed through the Internet. The school will not be liable for any damages arising from your child's use of the Internet facilities.

## **Use of Digital & Video Images**

As you are aware the use of digital images plays an important part in learning activities. These images are sometimes used to celebrate pupil and school success through their publication in newsletters and occasionally the public media. Please could you carefully read the attached consent form regarding the use of images, then sign and return it to the school office.

In anticipation of your support

Yours Sincerely
